

A white Apple Time Capsule hard drive is shown on a wooden surface. It is connected to a black power adapter with a power cord and a network cable. The network cable has a small white label with the number '100' and '443-00' printed on it. The power adapter has a label with a barcode and the number '100' printed on it. The Time Capsule has the Apple logo and 'Time Capsule' text on its front panel.
