FBR1 - Belkin 3m fiber patch cable (19 count)

The image shows a Tyco Electronics optical fiber cleaning kit. The kit is packaged in a clear plastic bag with a white instruction sheet. The instruction sheet features the TE Connectivity logo and text in multiple languages: English, Spanish, German, and Chinese. It includes diagrams for cleaning steps, such as using wet and dry cleaning methods, and a warning about infrared radiation. A coiled blue optical fiber cable is visible through the plastic.

FBR3 - FTL-9PK005M - (5 Meter TE Fiber cable) (4 Count)
