

# Install Stargazer plugin on Microsoft Edge

Note: Microsoft Edge is really Google Chrome re-labeled and some Microsoft additives :)

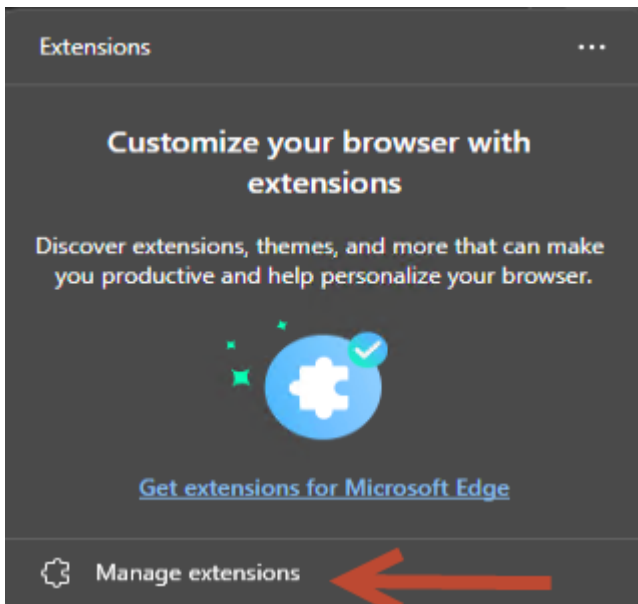

1. Launch Edge
2. Click on settings ...

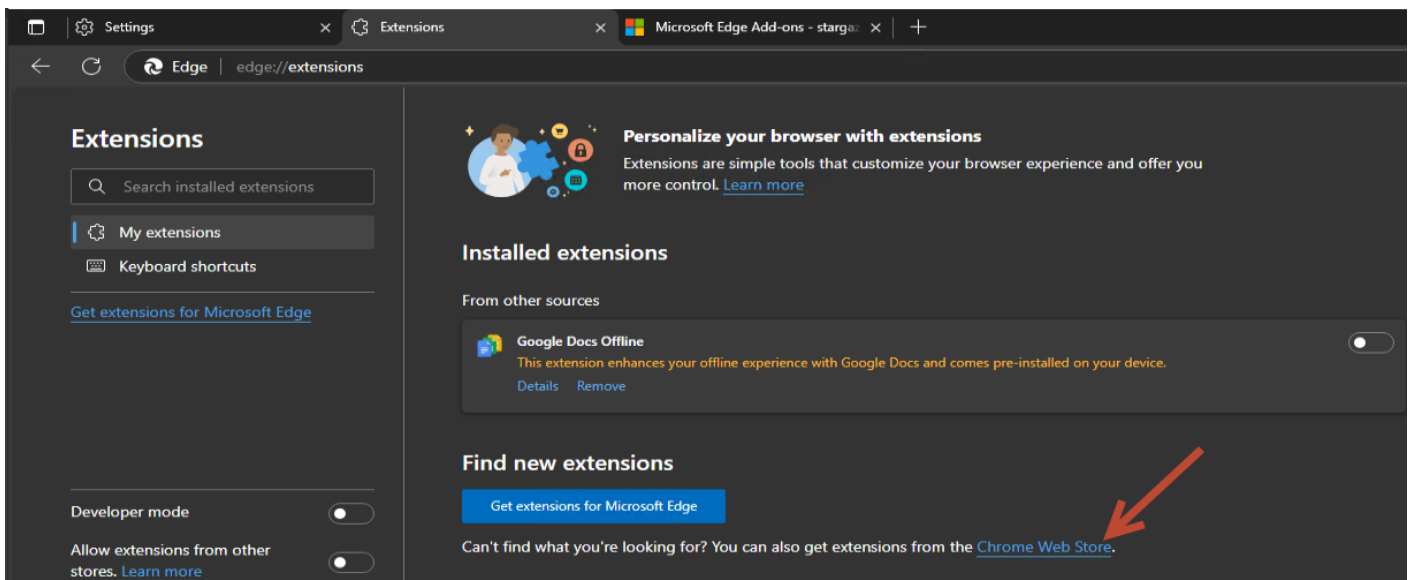

3. Select Extensions

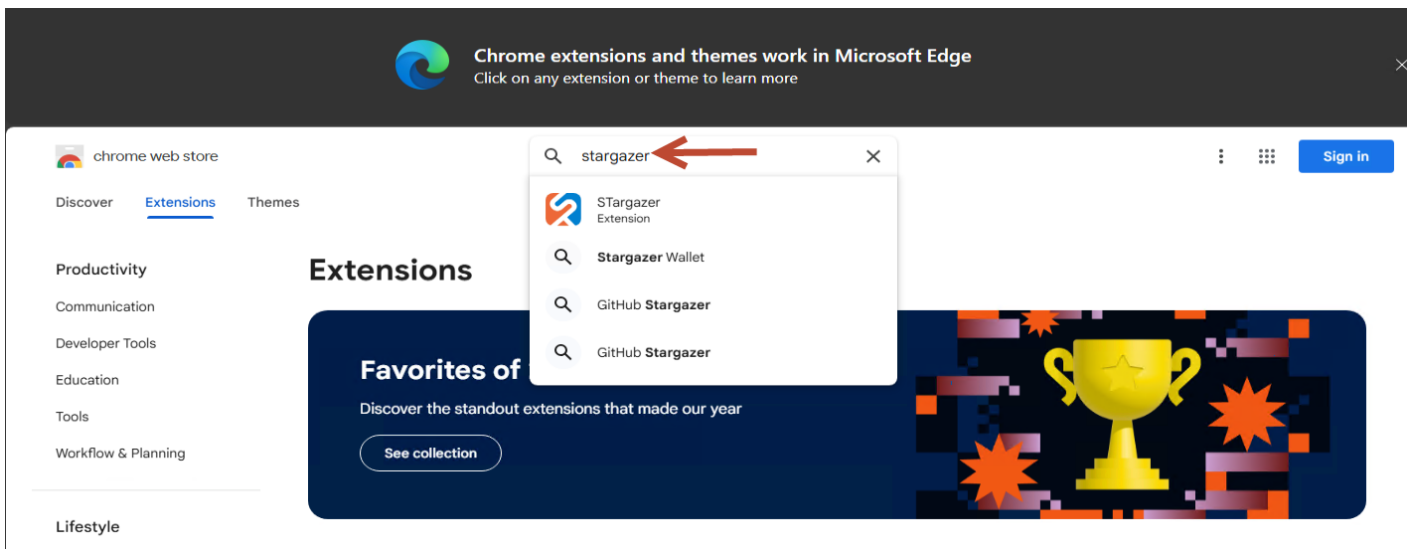

4. click Manage Extensions

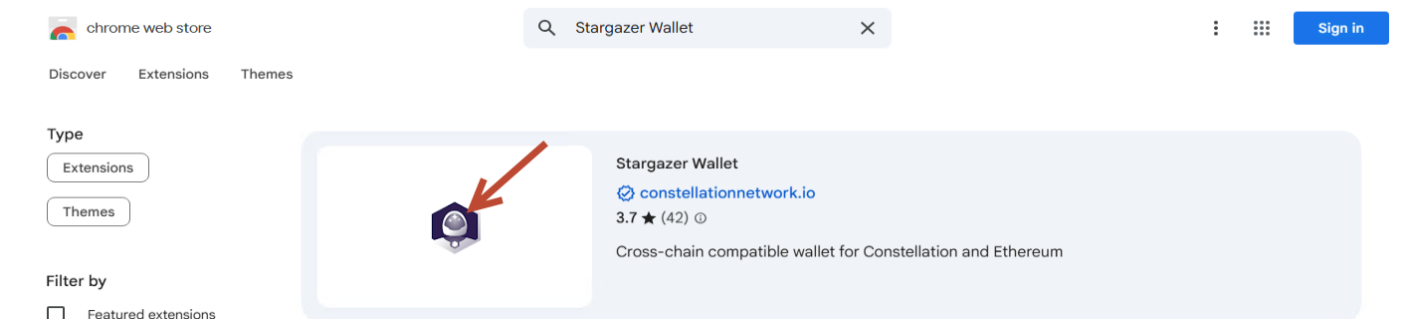

5. Click on Chrome Web Store

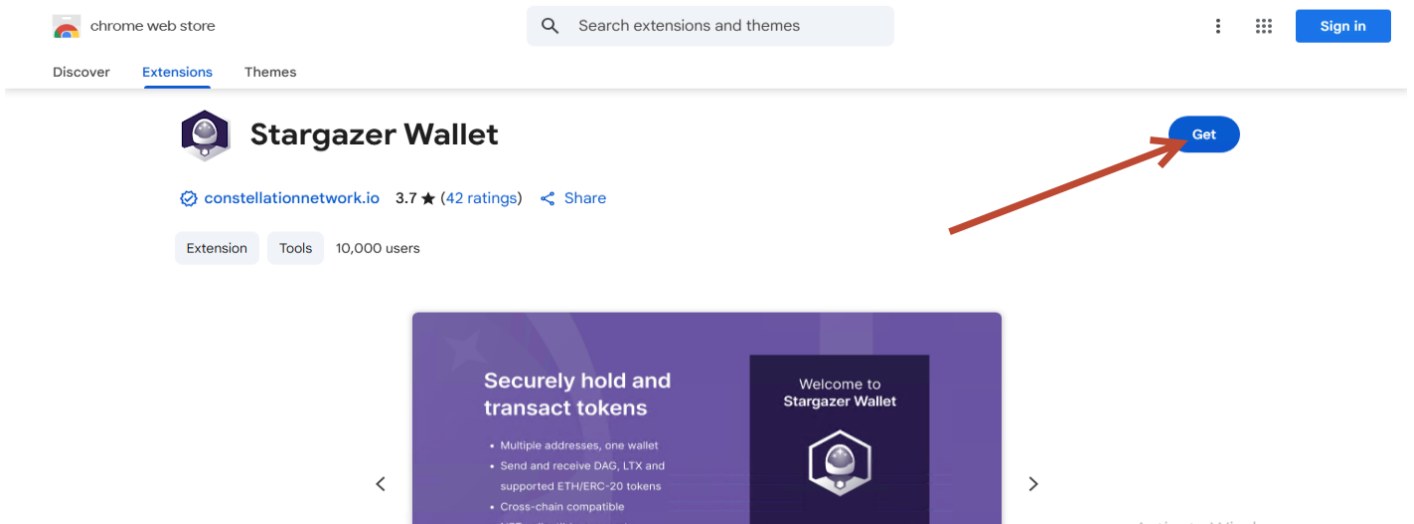

6. Search for Stargazer

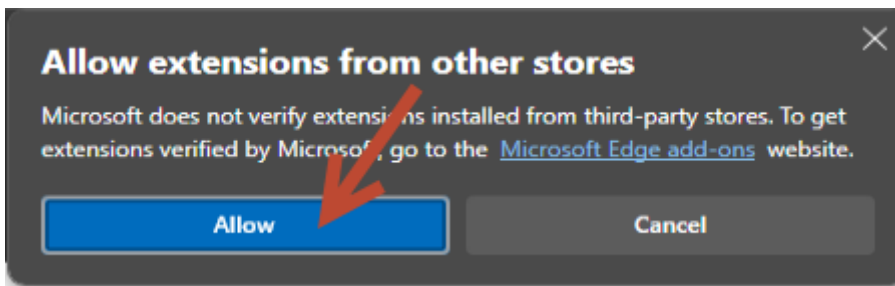

7. Click on the awesome icon

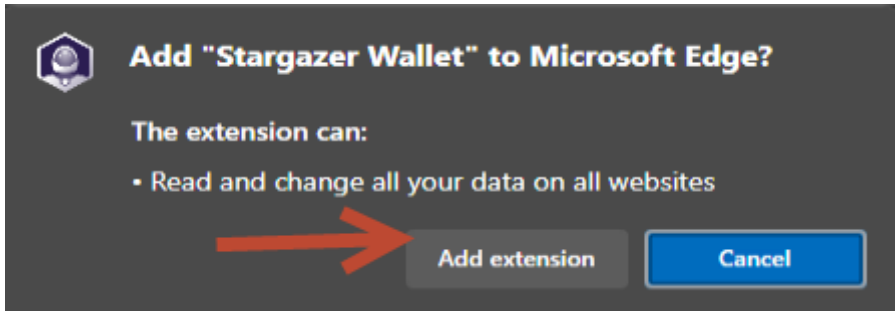

8. Click on GET

9. Click Allow

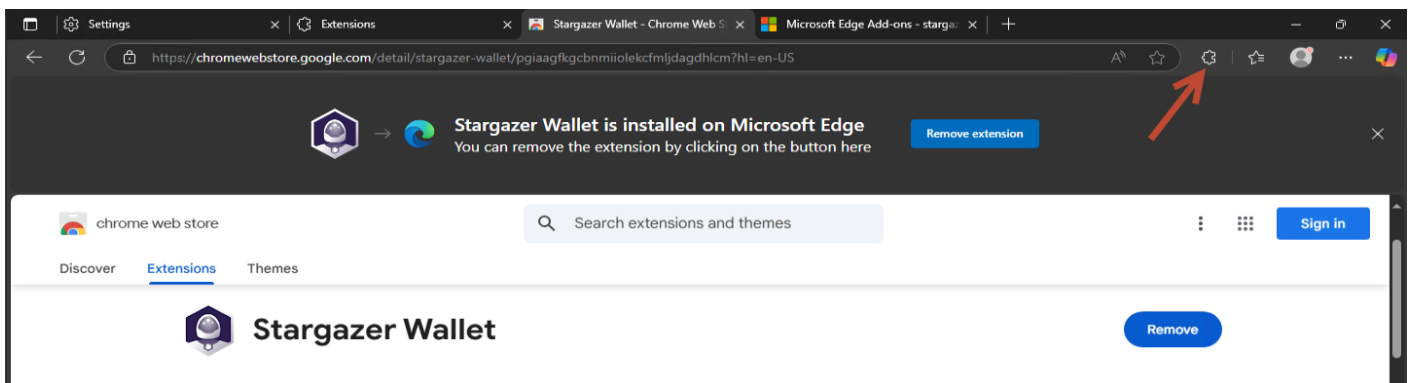

10. Click Add Extension

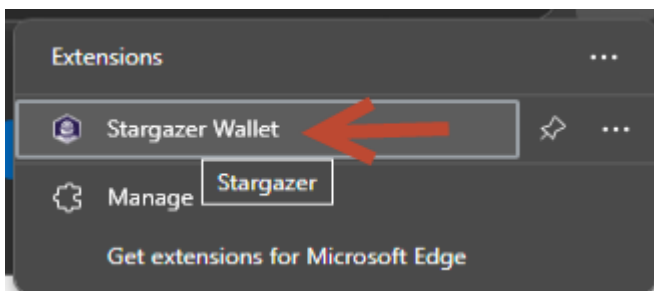

11 Ignore the Sign-In to sync your data.

12. Now click on the Extension icon to load the Stargazer Wallet

13. Click Stargazer wallet

14. Now create or restore your wallet.

# Welcome to Stargazer Wallet

**Create new wallet**

**Restore Stargazer wallet**
